Description

Subtle and voluptuous nose.

Exuberant and wise at the same time, this Cognac offers us a festival of aromas:
Violet sweets, jasmine, exotic fruits, English cake, and candied apricots.

The palate is rich, and gives way to delicacy:
Violet, Timut pepper, liquorice and lemon.

In the finish, light oxidative and floral notes tending towards white tea, are harmoniously completed by discreet flavors of honey, chestnuts and toasted bread.
