Description

A complex nose offering us multiple sensations : old port, cocoa, praline, amber and saffron.

The secondary noses are round, marked by very fine tannins and notes of heather honey.

Very nice in the mouth. Softness, freshness and delicacy supported by fragrances of bourbon vanilla, english cake liquorice and candied orange.

The length on the palate is superb with a finish of light tobacco, currants, nuts end very discreet smoky sensations.

Not chill filtered - Natural colour

Growing Areas
