Description

Cabinet des Curiosités 2015 selection.

Particularly extravert, this 1971 vintage reveals an extraordinary olfactive and gustative succession of atmospheres. The mouth, which makes us travel from east to Antilles in a few seconds, is a vibrating example.

The first nose is marked by aromas of saffron, cocoa, cigar box and hazelnut. Elegant Cognac marked by vanillin. Soft in mouth, balanced, notes of menthol, exotic fruits, and nuts. Finale is long, firm and peppered.

Cognac of paradox with freshness and candied fruits notes.
