Description

This bottling is so smart ! The exact definition of a Malternative! (but psst, malts of the same quality are much more expensive!)"

90/100 - Serge Valentin - [WhiskyFun](#)

This Double Single Cognac blend was especially created by the family Vallein Tercinier master blender to pleasantly surprise lovers of finest spirits.

Bottled at 46 % Vol. with a beautiful natural gold colour, non-chillfiltered to keep all the fine fruity aromas of this sweet marriage between selected old cask of exceptional 25 years old Cognac "Fins Bois" and 15 years old Cognac "Bons Bois".

"Very fine, intense, fruity nose, apricot, honey, orange, plum. A perfect balance completed by notes of anise and almonds. In mouth, first note of ginger, then the same intense, soft and fruity notes appear in a perfect harmony."
